

What are Cloverbuds?

Cloverbuds are children who explore areas of healthy living, earth environment, citizenship, plants and animals, consumer skills, science and technology, personality development, and expressive arts.

The primary goal of the 4-H Cloverbud program is to promote children's healthy development – mentally, physically, socially and emotionally.

The 4-H Cloverbud program provides an excellent opportunity for your child to reach his or her highest potential because early life experiences, even subtle ones, affect future development.

The 4-H Cloverbud program is developmentally age appropriate, therefore it is:

- * **Fun**
- * **Leader directed**
- * **Activity based**
- * **Non-competitive**
- * **Success oriented**
- * **Group-centered learning**
- * **Many types of activities**
- * **Positive**

The 4-H Cloverbud program allows for and encourages creativity and play.

The goals of Kansas 4-H Cloverbud program are for children to develop:

- 1) Self-understanding skills (independence and self-direction)
- 2) Social interaction skills (getting along with others)
- 3) Decision making skills (making positive choices)
- 4) Learning skills (learning to learn)
- 5) Mastering physical skills (Enjoying constructive and creative play)

Through our educational mission, we help youth to learn by doing and to lead by example. In 4-H, we are committed to providing a positive experience for as many young people as possible. Not just with the belief that 4-H grows great kids, but the belief that by preparing our youth for school, work and life that we are contributing to a vibrant economy for years to come.

Activities and Events

Cloverbuds can learn about pets, pictures, rocks, cooking, airplanes, bugs, flowers, crafts and many other things.

Cloverbuds make new friends, attend club meetings, do community service and have lots of fun.

Cloverbuds exhibit at the county fair and receive ribbons.

4-H Cloverbuds have the opportunity to be in the 4-H Cloverbud club or a regular 4-H Club.

Enrollment forms at www.finney.ksu.edu or at the Finney Co. Extension Office.
