

Hanging Dish Towel

Materials

- 1 dish towel
- 2 lengths of wide ribbon
- 2 lengths of thin ribbon

Directions

1. Cut two lengths of wide ribbon about 1 inch longer than the width of your towel.
2. Cut two lengths of the thin ribbon the same length as the wide ribbon PLUS 8 inches
3. Sew the first piece of wide ribbon along both long ends, approximately 4 inches down from the top of the towel. Fold the ends of the ribbon unders as you sew.
4. Sew the second piece of wide ribbon approximately 4 inches down from the top piece of ribbon, in the same manner.
5. Attach a safety pin to the end of one of the thin pieces of ribbon and thread it through the opening of the wide ribbon from one side to the other. Repeat for second wide ribbon.
6. Gather the towel together and drape towel over the oven door handle and tie the thin ribbons on each end together.
7. Optional: Add appliques or another ribbon at the bottom of the towel.
